

ICAP Health Homework

Due April 14th

Define these forms of care in 3-4 sentences, more if needed. Compare & contrast the differences in approach to (philosophy of) disease & treatments. Can name *some* (not all) of the fields/disciplines in each mode (i.e. which mode would chiropractic care be found. Which would a dermatologist be found, etc)

Allopathic (Biomedical) Medicine

Holistic (Alternative) Medicine

Integrative (Complimentary) Medicine
